

# CNY Sports Academy

## Baseball

We are excited to invite all Geddes Little League participants to join our 2020 Travel Baseball program. This program is geared to supplement the Geddes Little League Season not compete with it. As many of you know the traditional Little League season is short often with bad weather and by the time the kids finally get going it ends. Please note the term Travel Baseball is misleading, 99% of all games are played locally.

### **About Us:**

CNY Baseball Academy is owned and operated by Geddes own Jason Macko and Greg Sampo who bring multiple years of experience to youth baseball.

CNY Baseball Academy is formerly known as CNY All-Stars and has taken the foundation that has been built over the last 20 years by former longtime Geddes President Jim Alford, who proved to be years ahead of his time by being one of the pioneers to bring travel baseball to Syracuse. His Cooperstown teams were legendary for their high quality practices and game time performance. Ranking a number of times in the top 10 in the country and as well as a first place finish at the famous Cooperstown Field of Dreams Park Tournament.
